Chapter 11 Miko and the Abandoned Cat's Feelings

Neko...

Nekomiya Miu-sama?

...I used to have a cat with the same name.

Kaori!!

Ah, I'm sorry!

Bringing up such a thing.

Hmmm.

I wonder how it is...

That cat...

How is it now?

Thank you–

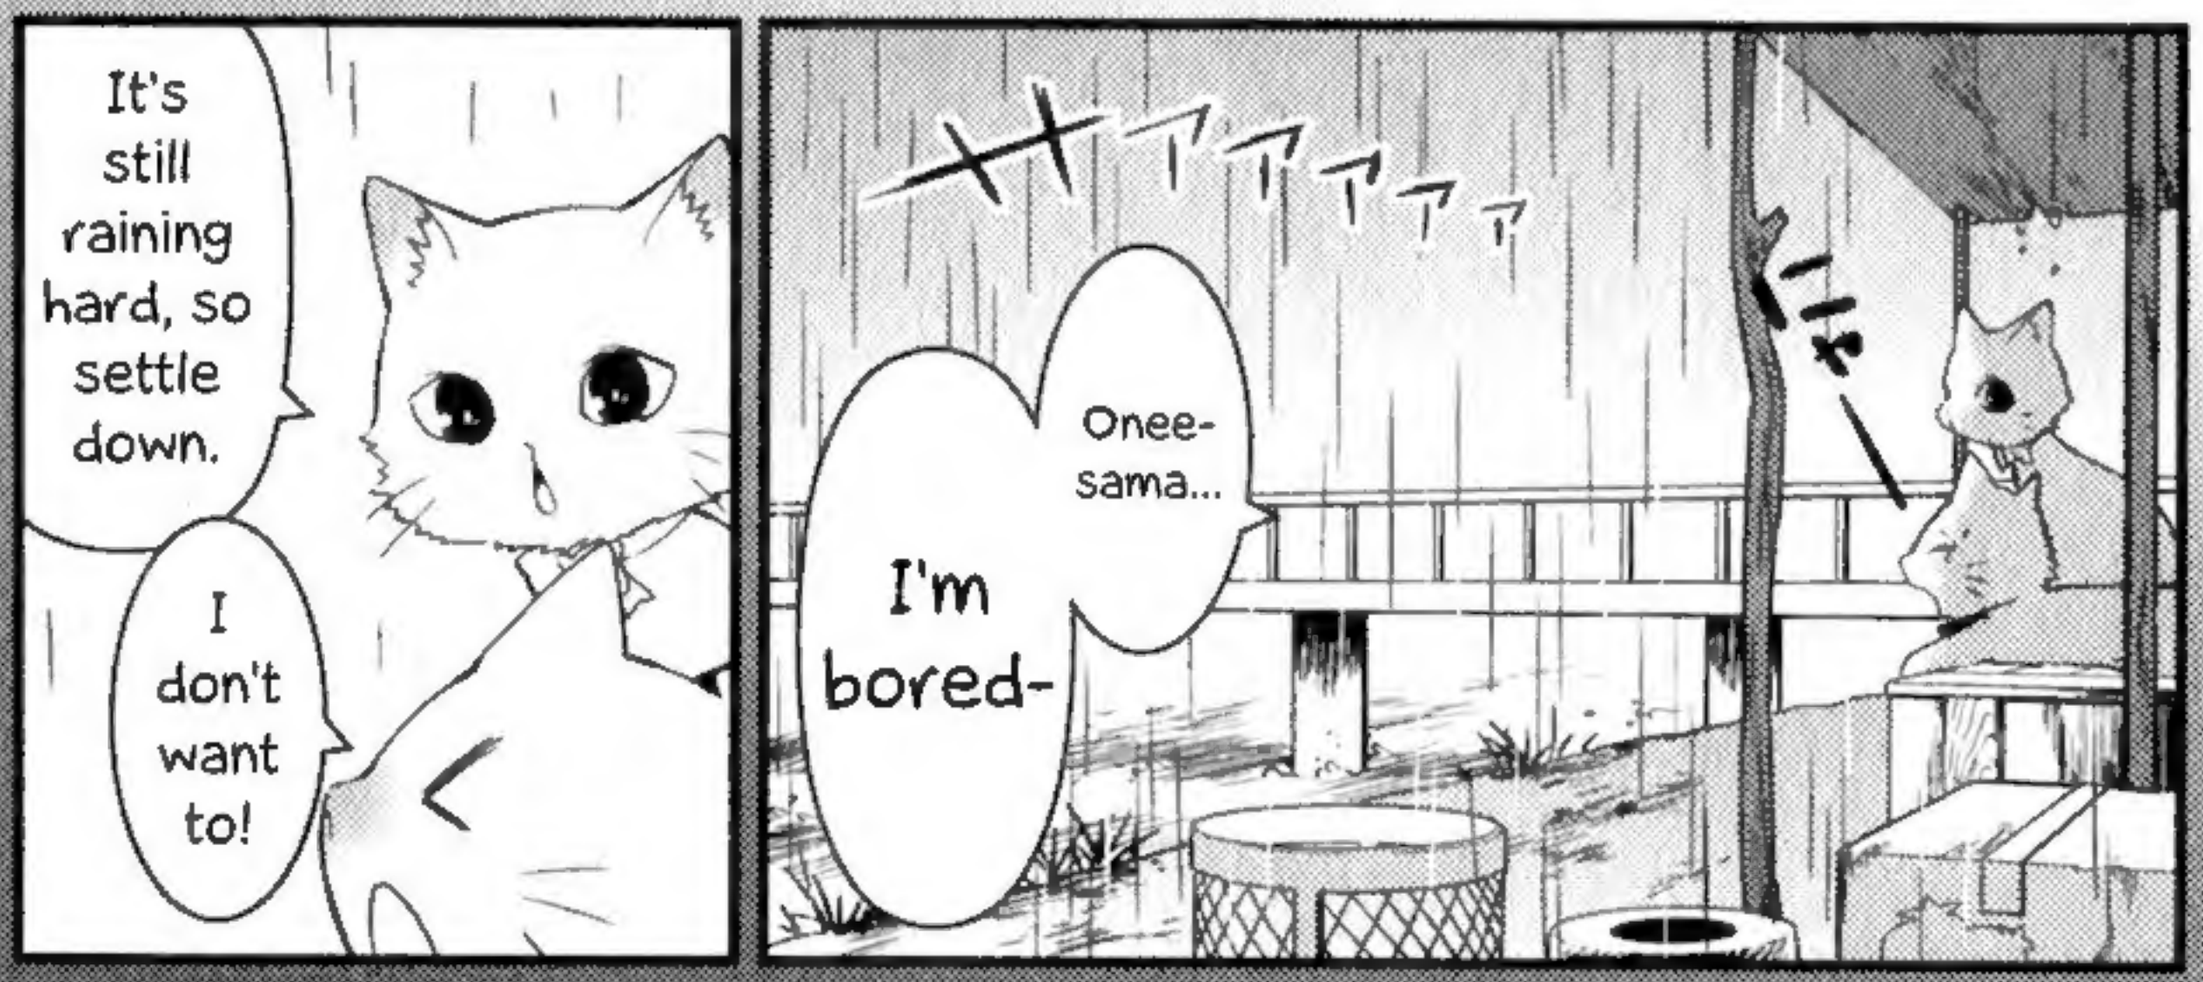
Gosh, what happened to her?

I'm not sure if it's because of the sad memories, but I can't remember much about the end of the pets I had when I was a child.

Did it run away...

Or no, did my relatives in the countryside take her...

No wait, that was the dog I had in elementary school.



It's still raining hard, so settle down.
I don't want to!
Onee-sama...
I'm bored-

I'm going out for a bit!
NIU!

NYAA!

NIU!

KYA!

NYA!

ONEE-
SAMA!

It hurts to breathe...

I

Can't swim...

I can't...

Not enough strength left...

Who's that?

KEEP FIGHTING!

NO MATTER HOW HARD IT GETS, YOU CAN'T GIVE UP!

Do? What is there left to do...

DON'T GIVE UP!

I don't...

Am I going to die?

It's okay, you're safe.

ONEE-SAMA!

I...

You fought hard.

Want to live!

A Hu...man?

I'm the same as both of you.

No.

Don't worry any-more.

From here on out,

I'll teach you a new way of living.

Three Years Later

There!

Don't smell that!!

I still haven't fixed my dog habits...

Be more cautious.

As usual, the reliable Miu-chan.

THIS IS THE SECOND TIME ALREADY! THE NEXT TIME IT HAPPENS, YOU'LL GET A DEMERIT MARK!

Rei-san!

Thanks to you, the population of these elegant Variant students have been increasing more and more.

That's nothing...

It's all because of your teachings, Rei-san.

For an abandoned cat like me being able to do things like this in human form.

You'll be able to do even more things over time.

Ah, sorry.

That child is..?

But this is a new face from First Class who will be helping you.

The introduction is a bit delayed,

...I'm Inaba Usaki.

Pleased to meet you.

Miu... senpai.

It really is.

I think this school is wonderful.

They've made a place where Variants like us can belong in human society.

I think Rei-san and the president Chino are truly amazing

I too want to be an excellent Variant like Rei-sama and Senpai.

And Miu-senpai is Rei-sama's best student.

Isn't she?

Having a senpai like you, Miu-chan, will only make her better.

Even though Inaba is younger, she's quite wise.

WOMEN'S SHOWER ROOM

I'm like you, Rei-san...

I've only barely gotten used to water

I... I still have some way to go before

To want to live on your own without having to rely on humans...

The dream that you want to come true, right Miu-chan?

That is...

My goal is to make that dream come true for the Variants.

You'll follow me the entire way,

right Miu-chan?

Rei-san is leaving the school...?

Of... Of course!

This school is an institution where Variants live with humans.

Rei-san, what is this...

So that's the reason...

I will absolutely not approve it.

Something so reckless as turning our backs on humans to create a society of just Variants...

WHAT!

If you're opposed Mitsuru, then I don't need this place any more.

I will also accompany Rei-sama.

Originally, Variants were built far superior to humans.

Naturally, as time goes on and our numbers increase, it's evident that sooner or later we'll get into conflicts.

Miu-senpai, you'll come with us too, right?

I...

Miu-chan.

ｘｘｘｘｘｘ

But...
I.

Once more... with Kaori...

One day when I've become an adult...

I see.

Miu-chan, you're still thinking about the human who threw you away...

I'M AFRAID OF THE RAIN!

Since that day,

On rainy days my legs won't move.

I'm sorry for still being like this!

ALL OF SUDDEN THE RAIN...

禁

Coming to the cubroom this late

Who is it?

Thanks for going out of your way.

Medicine?

Miu?

You might as well drink this.

...WHAT'S WRONG?

YOU'RE STILL SOAKED!

BECAUSE OF ME...?

DON'T TOUCH ME!

Miu...?

I HATE THEM AFTER ALL!

FILTHY HUMANS...

STOP GETTING CLOSE TO US SO THOUGHT-LESSLY!

YOU'RE NOT GREAT JUST BECAUSE YOU'RE A HUMAN BEING!

AND YET, WHY ARE YOU SO SELFISH?!

I...

I wonder if I did something to upset her...

JUST A MINUTE MIU!

I...

What should I do now...

Are you not afraid of the rain anymore?

WHO IS IT!?

I wanted to see

Rei... san.

Miu-chan.

PLEASE WAKE UP!

MIKO-SAMA!

MIKO-SAMA!

IT'S ONEE-SAMA!

IT'S TERRIBLE!

Morning Niu.

ONEE-SAMA HAS DIS-APPEARED FROM SCHOOL!

Chapter 12 Miko and the School that was Taken Over

WHO ARE YOU GUYS!?

When I returned to our room, all of her stuff was gone!

Was it my... fault?

These people won't let us into the school.

BUT CLASS IS ABOUT TO START..!

LET US IN ALREADY!

Miko-chan.

What's wrong?

We ask for all students to please leave.

Entry into the school is currently forbidden.

Settle down!

CLOSING SCHOOL!

真森市長

What's going on?

Look over there.

HEAD-MASTER!

Mitsuru!

Is this Rei's intentions?

Therefore,
as of today,

the town has
given the order
to close the
school.

Currently,
due to suspicions
of fraud with this
school's licensing
application made
to Mamori Town,

we will be
dealing with
the suspension
of activities.

I see...

THIS HAS
TO BE A
MISTAKE!

SOME-
THING THIS
SUDDEN...

Wait!

They're Wild Varieds.

KURO-SAN!

They're dangerous.

HEAD MAS-TER!!

Just like that...

For the time being, let's do as we're told.

Well.

Also, first class, to my office.

HEADMASTER'S OFFICE

As you know, this place is not deemed as acceptable by human society.

is thanks to our collaborators holding important office positions in Mamori Town.

The reason we've continued on safely up until now

In other words...

?

Resign-ing?

?

they've been resigning one after the other.

But lately,

.....

I don't really understand, but those people from earlier were Varied as well, right?

Why are they trying to get rid of the schoo.?

Essentially we're losing our backup then.

Something like that.

Do you remember?

The Varied have an important rule they must protect.

All of these rules are for the sake of living peacefully among humans.

You must love humans.

If you get saved, you should return the favor!

That is...

However, there are some Varied who hate humans.

They want to try making a place only for themselves somehow.

The idiot from that one time...

In order to achieve that, they gathered superior Varied and raised them.

Pathetic. Arguing over whether or not they like or dislike humans.

Um...

I don't understand difficult topics very well, but...

Whomever the partner,

they might be disliked since they did something bad.

Liking or hating you just because you're a human or an animal...

That's weird.

If they become friends and family, they will want to treat each other with care.

Wanting to always be together...

And being sad if they get mad...

Or being lonely because they're not at your side...

It doesn't matter if one is a human being or an animal.

If the school goes away... I can't be with Miu-chan and everyone else...

I don't want that.

You are qualified.

Just as I thought, Ooga Miko.

You may be able to resolve this situation.

WHAT DO YOU MEAN?!

真森新議員会
就任記念演説場

Incredible atmosphere in here, huh.

Well, it's Chibi's dilemma, so couldn't anything happen?

I wonder if it'll go well.

THE STRATEGY...

I COULDN'T UNDERSTAND IT HALFWAY THROUGH, BUT...

Now even I'm unsure

I have to do my best!

I'm pretty sure your "special person" will be there,

On top of that,

so don't forget to bring her back.

Let's head back to school together!

I must hurry and reconcile with Miu.

Let's go.

All of the preparations are finished,

Miu-chan.

...Okay,

Rei-san.

The both of them.

Those precious to you.

I picked all these!

Look, look!

Nee-sama!

.....Nee-sama?

You're mistaken.

I'm...

Ah, no.

We need to hurry up and find that new Assistant Mayor Rei.

What are you spacing out for?

Look carefully.

Huh? Nothing

At the speech event,

she's planning to reveal the secrets of all of the Varied in Mamori Town.

Chapter 13

Miko and the Unsettling Speech Spot

.....

In that case, wouldn't revealing their secret be troublesome?

The Varied over there want to make Mamori Town a habitat of their own, right?

Do you know what that is?

The Varied that love humans and the Varied that don't.

share a common sentiment, but...

No, the desire to sleep?

Appe-tite?

Anxiety.

Of course, I don't have that sort of anxious feeling, but .

As expected of Kuro-sen

While they chose to live a varied lifestyle as a final measure...

Hoping to live without being harmed by humans, and the like.

Hoping to live within human society properly, and the like

STAFF ONLY

being unable to fully trust humans or themselves...

creates anxiety.

You grew into adulthood when we were separated, haven't you, Senpai..?

W-WHAT ARE YOU DOING, INABA!

DON'T CONFIRM SUCH THINGS!

TL note ^ talking about her chest

Even your hair has grown longer than before.

Miu-senpai.

What are you thinking about so much?

This childish ribbon, It doesn't suit you anymore.

Eh? What?

However, since today is a special day...

Even Rei-sama said that senpai's ribbon sense was bad.

R-REI-SAN DID!?

an image change doesn't sound all that bad, right?

You never change Inaba

It could be a lie.

there isn't any human who would accept you the same as how you've been treated up until now.

People like family, friends, and acquaintances... are actually all animals-! Although that's what I heard,

will surely understand us.

If it really comes down to that, then the Varied who are in opposition,

Wouldn't it be wonderful... if the Varied acquired true happiness together?

You're right.

Hurry up and get off me

...okay.

...I see.

ナデナデ

ナデナデ

I believe the other side wants to utilize that.

they would become quite the force.

If all of the Varied in this town turn their back on humans...

I wonder if Miu is also anxious?

Even everyone at school was worried that they wouldn't have a place to go...

the natural order would collapse.

If a Varied, which hides its powers, were to attack a human,

Come with me!

This Rei person should be here too.

Seems like the speech is about to start.

I wonder where...

I wanna go back to school together already.

ドキ

Uwaaaa Kuro-san?

ドキ

Huh?!

Don't get lost because there are a lot of people here.

I can't see her because everyone is wearing the same clothes.

Kuro-sa...

WHAT ARE YOU DOING HERE!?

WHY IN THE WORLD ARE YOU HERE!?

MIU!!!

トコトコ

Yaay! Miuuu! I found you!

DON'T CLING TO ME!

Huh, Inaba-san?

Please let go of senpai.

BOTH OF YOU, GET OFF!

ドン

Miu,
the school
is in big
trouble.

Let's
go back
already.

I
can't return
to school
anymore.

Because
I was the
one that drove
the school into
closing down.

Huh?

I took out the confidential documents related to the school.

But...

It's true.

You're in the way, so just leave already.

There's nothing more for us to talk about

Rei-san?

Miu... why...

Rei-san is about to start her presentation.

MIU!

I FINALLY FOUND HER!!

Are you stupid?

Rei-san is...

Huh?

What do you mean Nee-sama...

Oogama Rei-sama is a varied one.

A wolf-type... stronger than any other.

A varied one?!

NEE-SAMA!

IT'S ME!

INABA-SAN! LET GO OF ME!!

IT CAN'T BE! IT'S DEFINITELY NEE-SAMA!

So it has to be a different person, right?

We won't allow any disruptions.

Alright!

Today,

It's starting.

I have a very important announcement to make.

Why is she up there...!

That idiot!

Nee-sama!

NEE-SA...

UWA!

A BLACK OUT?

I need you to come with me.

Huh?

!

...Well, aren't you a scary lady.

While I don't hate it,

I'm kind of busy right now, so let's play a little later.

But

But

CROWS?

I CAN'T SEE!

WHAT'S THAT?!

The obedient crow girl that I've heard so much about.

So it was you.

Perhaps I can't say no then...

I think I like you.

WHERE THE HECK ARE YOU TOUCHING ME AT A TIME LIKE THIS, INABA!

I'm sorry, Senpai.

I can't see anything.

QUIT PLAYING AROUND AND FIND OUT WHAT'S GOING ON WITH REI-SAN...

DON'T RABBITS HAVE GOOD NIGHT VISION?!

WHAT IN THE WORLD IS GOING...

KYA!

REI-SAN ISN'T THERE?!

What's going on...

I have to...

In case something happens,

I'm leaving it to you, Miu.

I have to tell everyone about the existence of varied ones in Mamori town...

There's probably less obvious ways to disappear, but I'm not thinking for myself.

I...

NEE-SAMA!

Rei-san, I'm sorry.

I can't...!

SHE'D BETTER NOT BE THINKING SHE CAN JUST GET ANOTHER LIFE FROM ME OR NIU!!

EXIT

Where is it!?

What on earth are we going to do now??

S-sorry, I'm still sorta confused.

What should we do, now that we're stuck hiding here.

ああっ…

I can't just make something up in this situation.

How can I possibly explain it?

Um...

Not good, not good. I have to hide my ears and tail.

Hey! Miu...

Uuugh

Geez, the truth is going to come out.

But—!

Ow- ouch, Miu!

I CAN'T CONCENTRATE! WHAT'LL I DOOO.

ぎゅっ…

There, there.

Good girl, it's okay. Shhhh

My older sister always did this for me all the time.

Makes you feel relieved, huh?

I CAN'T POSSIBLY FEEL RELIEVED NOW!

AT A TIME LIKE--

But,

Haven't you calmed down a little?

Your hair isn't bristling.

ARE THEY IN THERE!?

IMPOS-SIBLE!

?

Rei-san as in my Nee-sama, right?

At this rate, Rei-san's real plan is going to succeed.

!

I heard it from Mitsuru...

there are some variants in Mamoru town that want to make it a place only for themselves.

If Nee-sama really is behind this plan,

I can't do anything to stop it!

Rei-san is a variant,

she can't possibly be your older sister!

That again?

I'M NOT WRONG!!

Nee-sama will always be my Onee-sama.

It doesn't matter whether she is a variant or a human.

We'll always be friends, right?

So, believe in me.

KYA—

FOUND YOU!

CAT-PERSON!!

ドキ…

Rei-sama and the little crow, Kurona, are heading towards Mamori Middle School.

...Which is,

probably a lie.

With Kuro-san?

Kuroro...

Saying that with a straight face

You really never change, huh..?

Didn't you come with her?

Oh yeah. I forgot about that

What will you do next?

you revea ed the ex.stence of var.ants to everyone, but...

Senpai, in place of Rei-sama,

Well,
for now
we should
return to
the forest.

You
come too,
Inaba.

I have
something I
want to say
to the variants
of the forest.

The forest
on the
other side
of the
river?

A future
plan
together
with
Senpai-?

Eh-

Ignore
her

But,

how will
you slip
out of
here?

I could
leave
through
the window...

but the
hallway is
full of
people.

Doing that..

I don't like it.

Is there not,

a better way?

?

I WILL ABSOLUTELY NOT HURT MY PRIDE DOING THAT!!

Maybe it's not out of the question after all?

It appears we're out of time

THIS IS THE ONLY ROOM LEFT!!

Miko,

You return to the school.

.....

as a member of the 1st class, right?

You have to do your job,

COME WITH ME!

I will return as well.

If this ends quietly,

SENPAI, PLEASE HURRY UP!

Because...

It just ran out to the other side of the window.

Hmmm? Oh, a cat person just went that-a-way.

Inaba-san.

On the other side!

Let's go!

.Wh ch is probably a .e

I owe you one for helping out Miu!

Thanks.

ドキッ

ぼけ

WHERE'D IT RUN TO?

NOT HERE EITHER!

WHAT ARE YOU SPACING OUT FOR, WE HAVE TO HURRY UP AND ESCAPE!!

?

Senpai, why are you so unhappy..

We will always be friends.

What you said then...

I can believe in it, right?

It's been a long time,

Oogami Rei.

Even though you say such things.

No,

you prefer to go by Ooga Mirei, huh.

You haven't changed at all. You're still a cute size, Mitsuru.

Do you really think, we can go on living while hating humans?

However, I'd appreciate it if you didn't get in my way.

Worrying about their secret being discovered by humans...

Isn't that just your way of doing things?

Concea ing themselves and suffering,

all the while forced to be involved with them.

It's no different from when they were animals.

Until now...

I d dn't object to anything, even when your methods differed from mine

So why now, why involve the school...

You know,

I am seriously angry at Mitsuru.

That letter.

Letter: Miko-chan, Nee-san is currently living in Marumori Town.

Why was Miko brought to this town?

You sent it, didn't you?

INABA!

HURRY, CLOTHES!

.which was probably. a lie...

So please stay like this a while longer

Your clothing couldn't be found.

Why is it only Nekomiya-san?

What about Rei-sama's presentation?

Listen to me, everyone.

This will be probably different from what Rei-san thinks.

I guess I should tell everyone else as well

like how you did for me?

However, I would like

for everyone to listen to this.

Senpai?

That child is being exploited, isn't she?

In exchange for her own life.

She shouldn't get involved w.th var.ants anymore.

I don't want to cause Miu-chan any more anxiety.

Please send Miko back from where she came.

I WILL NOT GO BACK!

It's warm...

Mugh...

A human child?

Onee-chan, you saved me?

I remember everything.

Miko-chan...

Onee-sama simply returned the favor to me.

Chapter 16 Miko and the Bond that will Never Disappear

different from what Mitsuru thinks.

Onee-sama's plans are

Mitsuru

I finally understood what it is

that Onee-sama wants to do.

Why is Nekomiya-san saying such things?

Miu-
senpai...

You're saying you'll live with humans again under the Varied Living Management Agency?

If things go according to Rei-sama's plans, then even the varied ones who aren't doing well in school would think

it's better to just be with their comrades than with humans, and come to our side.

Granted, the weak ones relying on the humans might stay behind.

.....!

don't like humans

Varied ones that

Only the varied ones that are dangerous and don't like humans are here.

If they stayed as animals, humans would be cautious, but

if they turned into humans and blended in, they'd be dangerous existences.

is it...

Rei-san's true objective,

Nee-sama,

you're trying to protect the humans in this town,

and even the varied ones who are getting along with the humans...

Isn't that right?

You were thinking just that when you left me...

If you're going to end up hurting each other,

then being separate is better.

I...

Is that true, Rei?

NO!

I DON'T WANT TO BE SEPARATED FROM ONEE-SAMA ANYMORE!

MIU, MY FRIENDS HERE AND ONEE-SAMA...

I WANT TO STAY WITH THEM FOREVER!

.....

Miko-chan!

Don't cry!

Then, was this commotion about separating the humans from the dangerous varied ones?

As for the cat, well...

I guess you don't need to worry about her?

That kind of comment would get you punished by Nekomiya-san.

But even Nekomiya-san herself abandoned this place!

Truthfully, I've been having second thoughts.

As long as she is here.

You're right.

Miko-chan and M.u-san are a good combo, so they'll probably come back here.

But what exactly were they planning to do with the virgin's hair they gathered...

.....

OPEN UP!

You can't trust those kind of people.

Why would Rei-sama give a job to that kind of person?

It's the cat from the Management Agency that's even famous in town, right? 1st Class's Nekoma Mio.

I never liked it ever since the day I came here.

I was no good, Miko.

I can't do it like you can.

Touching everyone's heart is probably something only people can do.

I guess I'm really just a cat...

Can we really stay together?

Sorry,

I made you worry.

AS IF I'D BE WORRIED...!

ﾅﾝﾃ...

Final Chapter

...It was annoying even though, you're just a human.

But I was happy.

ｽﾝ...

Hiiiiii-

You called out my name in a loud voice.

Nee-sama, I want to see you soon so I can tell you.

BESIDES, IT WASN'T EVEN THAT LOUD!

T-THAT WAS!

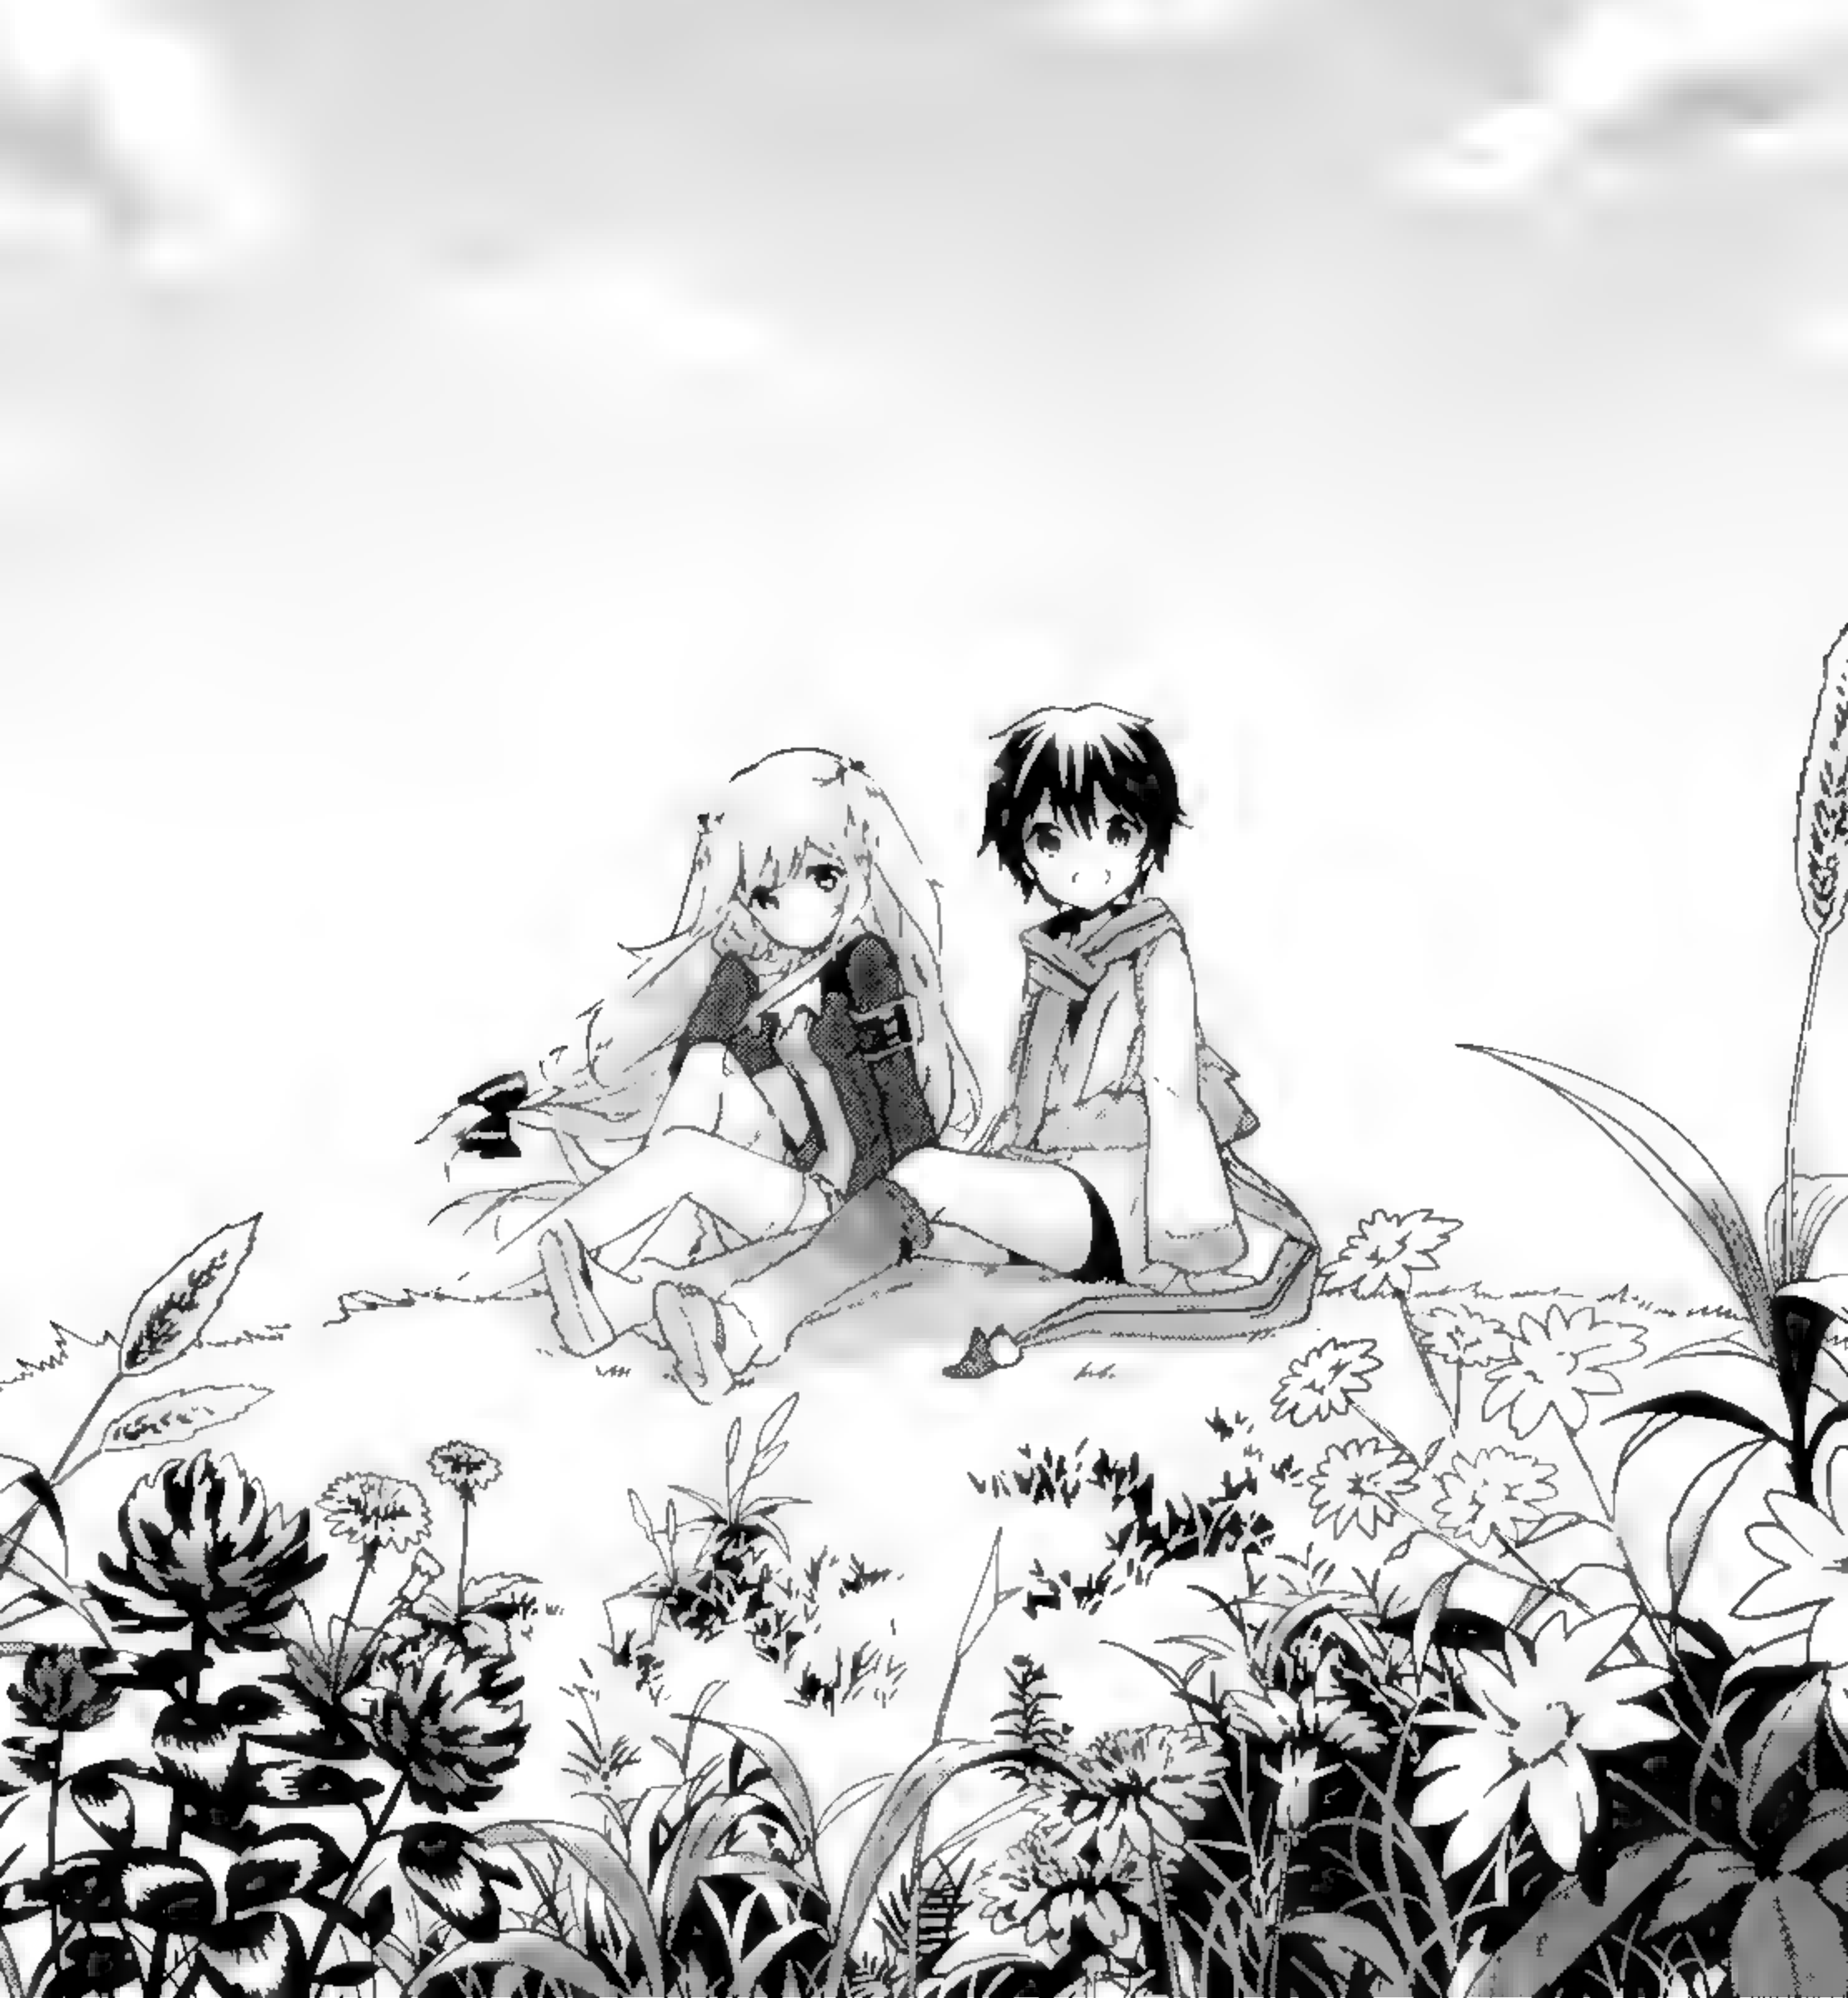
IT WOULD HAVE BEEN WORSE IF YOU HAD GOTTEN LOST SO I...

I made my very first friend.

I think

Final Chapter

Miko and the Tiny Miracle



Tomorrow,

can we both go to see Miu?

...

Using the restroom by myself is scaryyy...

Hm-nya?

Rei-sama?

NEE-
SAMA!!

WHAT!?

I
CAN'T
FIND
NEE-
SAMA!

The twin varied ones who were guarding the school house are also missing.

I saw Rei-sama at night.

It seemed like she was on the phone with someone.

What were they talking about?

I was still groggy so I didn't catch the contents.

I think...

WA-
PLEASE
WAIT!

This will help you remember

Or so...

I sent all the information and whereabouts of the varied ones.

Please keep searching.

So she gave the information to the humans.

She's planning on betraying the forest's varied ones.

WHAT?

EVEN THOUGH, THERE'S MIU-CHAN THERE TOO.

Are you serious!?

NEE-SAMA ISN'T THE TYPE OF PERSON WHO WOULD DO SUCH A THING!

If it were her, she would probably send her own information too.

She must be intending to exterminate all the varied ones that pose a threat to humans.

Why does...

There has to be a way for everyone to coexist.

Why does everyone just jump to goodbyes?

You can probably find it

(ネ,...

as long as you don't give up.

Kuro-san...

As long as I don't give up, anything can happen.

Yeah, you're right.

Ugh...

I'm definitely going to persuade Miu and Nee-sama.

I'm disap-pointed.

I guess it can't be helped

NIU TOO!

I'll help you!

Everyone...!

Just what were you planning behind my back?

As a senpai, I can't just let this be.

We can't be wasting time like this.

Let's hurry.

Yeah!

Let's hurr...

Eh?

Yeah ..

My feet probably slipped.

You sure are a klutz of a human.

Come on.

MIKO-SAMA!

ARE YOU OKAY?

It's been about a year now.

I suddenly got dizzy...?

Your life is given to you by all the varied ones.

Did you forget?

If you continue to force yourself, your little remaining life

just may disappear right away.

What are you going to do?

At this rate, you're in danger too!

Rei-san's true objective is-

I've known that.

K-o-!

PLEASE, INABA!

OPEN THE DOOR!

Eh...?

Senpai,

please run away from this town with me.

Then,
I can let
you out of
there.

Please
stay with me
forever.

It's that
forest.

ぼくらはミンナ生きテイル！3

Kur sh·ma-san why don't you come out of there first?

You're also a herbivore right?

He- herbivores sure are unreliable.

We've been told to not go near it.

Don't tell everyone.

Well... There's a lot on my mind.

What's wrong? Even you are looking pale.

Eh?

WAIT!

LET'S GO LOOK FOR THEM!

Be more confident.

That's right.

Miu and Nee-sama are the priority right now!

Yeah!

It's a herbivore's sense!

Here? But there isn't.

Here...

There's someone here.

You can't go any further.

You guys are on the human's side, right?

Where's Miu and Nee-sama?

This place is already dangerous. You all should hurry and run

THE FOREST'S VARIED ONES!?

You guys are teaming up with Nee-sama and plotting something, aren't you?

I always thought she would be a traitor.

Miu?

You're human?

Nee-sama isn't here?

HOW DARE YOU COME TO OUR FOREST!

KYA!

WHAT THE!

DON'T LAY A FINGER ON MIKO-CHAN!

JUST WHAT THE HECK ARE YOU DOING?

I can't believe you would resort to violence.

MIKO-CHAN,

PLEASE GO AND FIND MIU-CHAN!

JUST WHAT DO YOU THINK YOU'RE DOING!!

Leave this to me and hurry.

Ku-Kuro-san...

Stupid Stupid

ガァ

But...

These children will show you the safest route.

ガァ

It's only you

that the cat will follow obediently.

I'll definitely return to the school with Miu!

THANK YOU, KURO-SAN!

Niu is coming too!

How do I get her to understand how I feel...

The one I want to be with...

Is this something only a human can do?

Inaba...

I...

MIU!

MIKO?

There's no one here right now.

Maybe it's because there's such a commotion over there.

I'M COMING NOW!

But I can smell Miu from around here.

Huh?

Miko...?

My body won't move....

She won't open her eyes.

It's exactly like one year ago...

Why...

MIKO-SAMA!

MIKO-SAMA!

Maybe she used up the life

You're lying...

I gave to her...

As long as you're alive, anything is possible"!

Even though you always said that

"As long as you don't give up, anything is possible."

You're so dumb.

But if you die, then it's all over!

We promised...

Even being friends forever.

I'll give you whatever it is that you need.

WAKE UP!

OPEN YOUR EYES.

MIKO!

Inaba...

So,
stay with
me...

Me too.

I get how Miu-senpai feels too.

I have a debt to return.

Uuuuh...

My feelings are... getting through?

Inaba...

MIKO!

Why are you crying?

Miu...?

Let's go back together.

I'm glad you're okay.

It's okay now.

We need to get out of here.

EVERYONE!

...Yeah!

Seems they're being careful and hidden.

But the varied ones from they all earlier disappeared when we told them about Rei-san's plans.

We were contacted by the school.

Seems the information regarding this place wasn't leaked.

Um...

What about Nee-sama?

That's...

Well...

As long as they can't get a solid tip,

the existence of the varied ones will become something like fairy tales or urban myths.

Because you gave the humans fake intel,

their plans should be foiled...

It's not like I can steal the things she cherishes.

In the end, it's Miko's victory.

That's nothing to worry about.

I wonder if Miko's life will be okay...

Maybe.

was because you foresaw all this, right?

Sending Miko to Mamor. Town and putting her together with Mi

Because it was all

A LIE

from the very beginning.

The day she had the accident, she just lost consciousness.

She tripped today because of her cold and lost her nerve.

You...

What did you just...?

There's no way Niu is even good enough to revive someone.

You act as if you know everything but you're just coddling your younger sister

はくしょん！

Mitsuru...

Now we're even,

since things turned out really well for me.

Thank you.

Well, hurry and go.

I'll be sure to tell Miko-chan.

It's okay to let those two believe it was a miracle, right?

But about today's events...

Nee-sama,

where are you right now?

It's time to go crack down on cases.

1st class Activities

And that's because the Varied ones from all over who have heard Nee-sama's stories are coming to this school one after the other.

1 month later

MIKO!

MIKO!

I am busy with...

MIKO!

Yeah!

I thought I asked Inaba and Kurishima to patrol the school.

And we've gotten more members.

The most appropriate combo here would be Senpai and I.

Nekomiya-san, shall I accompany you today?

Come on, let's just get going.

Say, where's Kuro-san?

Let's just fire that crow.

Uh, she's running away again.

Okaaay!

I hope I'm able to help more people.

I'll do my best

until the day Nee-sama comes back.
